

Dear Senior Parent/Guardian(s),

Again this year, Franklin High School is providing a fun, safe, alcohol and drug free all-night event after the Senior Prom on Saturday, May 26th at the Reisterstown Sportsplex in Reisterstown. All FHS seniors are invited to the After-Prom event, even those that do not attend the prom. The event is offered to all senior's at no cost, however for us to fund this event, **we need your support!**

The cost to fund the event is approximately \$35/person. We are kindly asking for a donation to cover this cost. If your child will be bringing a guest who is not a FHS senior, please consider donating \$70.00. Anything you can give is greatly appreciated and your donation is tax deductible.

The event is sponsored by the PTSA and the Baltimore County Bureau of Behavioral Health. In the past we have received \$1000 - \$1500 in grant support; the balance needed to fund the rest of the event is up to us! Along with indoor ice-skating, the festivities include a DJ, fabulous prizes/giveaways, delicious food and organized fun filled activities throughout the night. In 2017 we had 80% of the senior class attend! For the class of 2018 we have approximately 385 students and we hope to beat last year's attendance. Providing a safe environment for our children is the responsibility of everyone in the school community. Your donation will help to make prom night a memorable and joyous evening for all.

Please make checks payable to FHS PTSA and list **After Prom** in the memo field, detach the bottom portion of this letter, and mail by April 30th to:
